Special Events

Almost Overnight

Friday, November 11th
7PM-10PM

This is for those too young to attend our over-nights. Drop off your 3-6 year olds for an evening of games, snacks and a movie! **Cost: \$20 per child.**

Santa's Workshop

Saturday, December 11th
12PM-2PM

Get a head start on your holiday shopping by joining us for a day of present making. Each child will leave with two complete presents for family or friends. **Cost: \$20 per child**

Indian Village

Indian Village is a facility offering outdoor education, nature, arts, and other programs managed by Columbus Recreation and Parks.

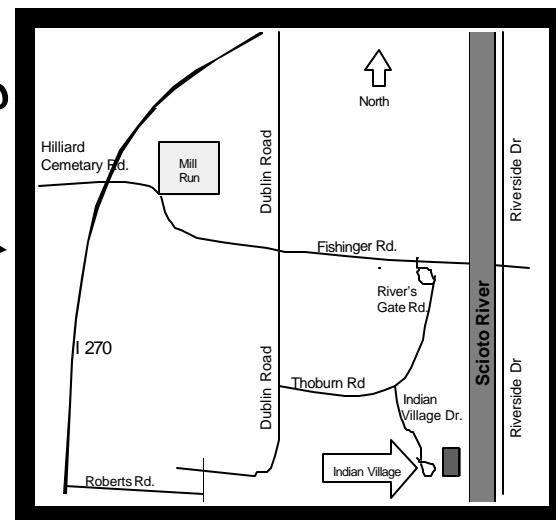

Reservations

Indian Village is available for educational group outings, campouts, birthday parties and other programming. Call 645- 3615 for more information.

Cost will differ for each type of event booking. A 10% discount is available for all Columbus residents.

Weekly Programs

Tuesday

5:30-6:30PM [8 & UP] *Beginning Archery* [\$50] Learn all the basics of archery. This class is perfect for anyone interested in learning and exploring the sport of archery.

5:30-6:30PM [7 & up] *Kids with Sticks* [\$35] Knitting is not just for Grandma anymore. Come join our expert knitter to learn how fun and useful knitting can be. Bring a friend and turn it into an evening of fun, knitting and friendship!

6:30-7:30PM [7 & up] *Kids with Sticks II* [\$35] This class is for the advanced knitters out there. Prerequisite Kids with Sticks.

Wednesday

6-7PM [E] *Kids and Chemistry* [\$30] Grab your goggles and lab coat for this exciting class! In this class kids will learn a little chemistry through hands-on experiments.

Thursday

5:30-6:30PM [8 & up] *Advanced Archery* [\$35] This class is for all you archers who know the basics and want to expand on your shooting skills. This class will focus on shooting skills and competitions. You must take Beginning archery prior to this class.

7-8PM [E] *Astronomy* [\$25] Find yourself gazing at the stars wondering what each one is called? Join this class and learn about stars, constellation and everything else in the night sky.
